Salient Promises in Our Sankalp Patra

- We are committed to provide a clean, corruption-free and transparent government to the people of Delhi and we will take all steps in this regard.
- After granting ownership rights to 40 lakh residents of unauthorised colonies in Delhi, the BJP Central Government has started providing registration certificates to such residents. We are committed to ensure proper development of such colonies and will constitute a dedicated 'Colonies Development Board' for this purpose.
- 10 lakh offices and shops of traders in Delhi will be converted from leasehold to freehold on priority basis.

- Regulatory and approval processes will be streamlined to ensure that there are no obstacles in the functioning of over 3 lakh household industries.
- We will take all administrative and legal measures to ensure that the problems being faced by residents of Delhi due to the sealing drive are addressed.
- The important issue of NOCs for self-allotment societies will be resolved on priority.
- We will take all necessary steps to protect the rightful interests of Pagdi tenants in Delhi.
- Atta (wheat flour) will be provided to poor families at a subsidized rate of Rs. 2 per kilogram.
- We are committed to make Delhi tanker-free. We will make dedicated efforts towards providing clean water on tap for every household by 2024.
- We will implement the 'Pradhan Mantri Awas Yojana' in Delhi and we are committed to provide pucca houses to all residents of Delhi by 2022.
- We will implement the Ayushman Bharat Yojana in Delhi to provide free treatment of upto Rs. 5 lakh to the people of Delhi.
- In order to ensure best educational opportunities for children and high quality affordable health services, the health and education budget will be increased by 10% every year.
- 10 new colleges and 200 new schools will be started in Delhi.
- We will initiate a "Samriddh Delhi Infrastructure Scheme" with a provision of Rs. 10,000 crore to ensure focussed and priority creation of key infrastructure like roads, flyovers, foot over bridges etc.

- We will start a new scheme to deposit a fixed amount in the name of the first 2 girls in every economically weak family at their birth, so that they can receive a benefit of Rs. 2 lakh when they attain the age of 21.**
- A bicycle will be given to each girl belonging to the economically weaker section and studying in classes between 9th and 12th to promote education among poor girls.**
- To promote higher education among girls from the economically weaker sections of society, an electric scooty will be given to girls from poor families enrolling in college.**
- Widows belonging to economically weaker sections will be given a gift of Rs 51,000 for the marriage of their daughter.**
- We will completely rid Delhi of the heaps of garbage.**
- We will provide employment opportunities to at least 10 lakh youth in the next five years.**
- We will establish a 'Youth Welfare Board' to promote all round development of our young population.**
- We will establish a 'Women Empowerment Mission Board' to promote all round development of women and enable holistic deliberation on issues related to women.**
- An 'Economically Weaker Sections Commission' will be constituted to promote development of economically weaker sections belonging to the General category.**
- A 'Board for Extremely Backward Classes' will be constituted for ensuring progress of individuals belonging to extremely backward classes.**
- To ensure dedicated efforts and adequate resources for safety and security of women, we will launch a new 'Rani Laxmibai Mahila Suraksha Yojana'.**
- We will constitute a 'Delhi Yamuna Vikas Board' to ensure clean and uninterrupted flow of Yamuna and development of its adjoining areas.**
- An annual 'Yamuna Mahotsav' will be organized to highlight and celebrate the religious importance of Yamuna.**
- Contract workers employed in government hospitals, schools and all other government bodies and institutions will be given a job guarantee till the age of 58.**
- We will ensure an immediate survey of street vendors and Redi-patriwalas in order to regularize them and we will provide them with life insurance.**
- An annual Samman Nidhi of Rs. 6000 will be disbursed directly into the bank accounts of farmers in Delhi.**

- We will ensure ownership rights for land parcels granted under the 20-point programme.**
- We will work with the Central Government to amend the Delhi Land Reforms Act, 1954 to abolish Sections 81 A and 33 to enable farmers to use their land as per their choice and address the issues in sale and purchase of the lands.**
- Individuals engaged in occupations, like potters, barbers, blacksmiths etc., will be provided easy loans at favourable rates.**
- A ‘Talent Hunt’ programme will be launched to identify talented students and youth and nurture their talents.**
- Special libraries will be established in Jhuggi areas for students living in Jhuggi-Jhopdi areas.**
- Long-pending arrears of Safai Karamcharis under the Municipal Corporations shall be cleared on priority with assistance of the Central Government.**
- Job will be given to one child of the victims who lost earning family members during the 1984 riots. Pension given to widows who lost their husbands in the 1984 riots will be enhanced from Rs. 2500 to Rs. 3500 per month.**
- We will increase the pension amounts for Divyangs, widows, destitute women and senior citizens.**
- Our government will formulate a policy to support Group Housing Societies for redevelopment of old flats in these societies. The FAR for these flats will be increased and a single window mechanism will be set up to provide all necessary clearances within 90 days. The same measures will be implemented for DDA flats as well.**
- All the remaining 351 roads in Delhi, that fall under mixed land use, will be notified in order to ensure their regular maintenance.**
- We will ensure ownership rights for residents of all Resettlement Colonies by converting their properties into freehold properties on priority basis.**
- Over 22,000 dilapidated properties and floors in 23 colonies such as Karol Bagh, Paharganj, Daryaganj etc. will be regularised after payment of nominal damage charges and ownership rights will be given for the same by making them freehold.**
- We will formulate a plan to rejuvenate all water bodies and develop them as major tourist spots.**
- Showcasing BJP’s zero-tolerance policy towards corruption, the BJP government at the Centre has implemented the Lokpal Act at the national level. This will remain a priority for us in Delhi.**

- Employment exchanges will be upgraded and modernized to connect the youth to employment opportunities and they will be made more effective than placement agencies.**
- We will create a special corpus for providing financial assistance to meritorious young women who wish to pursue higher education.**
- We will provide capital subsidy as well as interest subsidy for women who are starting up businesses for the first time.**
- In order to develop Delhi as a Startup City and help the youth of Delhi to become successful entrepreneurs, we will launch focussed initiatives like a Rs. 1,000 crore 'Startup and Innovation Fund', a long-term Startup Policy and establishment of Incubation Centres and Co-working Spaces.**
- To foster innovation and scientific temper among children, we will establish 1,000 Atal Tinkering Labs in schools in Delhi with the help of the Central Government.**
- We will establish 'Vishwakarma Kaushal Vikas Vishwavidyalay' for imparting cutting edge skill development courses and ready the youth for the future. We will ensure 100% employment for graduates of this university.**
- We will frame a new Sports Policy to promote and nurture sporting talent which will be in line with Prime Minister Modi's initiatives of 'Fit India' and 'Khelo India'.**
- We are committed to make Delhi a services hub of international standing to ensure rapid economic development. In line with this goal, we will initiate a new scheme on priority to bring prosperity and increase employment through development of the services sector and special attention will be given to education, health, tourism, retail, medical tourism and fashion-lifestyle services.**
- To make Delhi a centre of research and manufacturing of new and innovative energy technologies, a Green Industry Corridor will be set up for green energy technology companies.**
- To ensure that Delhi develops rapidly, we will make all efforts to ensure perfect synergy between the Central Government, State Government and the municipal corporations. We are committed to create new opportunities of multi-dimensional progress for the people of Delhi while following the principle of 'Co-operative Federalism'.**
- We will incentivize installation of solar panels in houses, colonies, offices and factories. We will facilitate the integration of these panels into the energy grid to ensure adequate power supply and cheaper power.**

- We are committed to ensuring piped supply of cooking gas for households.**
- Over 52,000 houses built in the industrial areas for labourers and people belonging to the lower income group will be allotted on a priority basis.**
- There are many areas in Delhi which have been neglected and remain underdeveloped under successive Delhi governments. A special scheme will be formulated for the rapid development of these aspirational areas.**
- In order to ensure adequate and affordable accommodation for working women, the number of working women's hostels will be increased.**
- A Traders Board will be set up for the welfare of traders and small businessmen. The Board will also facilitate single window mechanisms for approvals and licenses.**
- A massive exercise shall be undertaken on priority to convert all overhead and hanging electric cables to underground cables across Delhi.**
- We will make all necessary efforts, in coordination with the Central Government, to control air pollution and improve the quality of air in Delhi.**
- We will focus on incentivizing the use of electric vehicles to reduce pollution.**
- All existing street light poles will be converted to Smart Poles.**
- We will ensure speedy and time-bound redressal of grievances from citizens.**
- All vacant posts in government departments and subordinate offices will be filled up within the first year, thereby creating more employment opportunities and paving the way for the promotion of existing employees.**
- A scheme will be formulated to encourage and provide financial assistance for manual cycle rickshaw pullers to switch to e-Rickshaws.**
- The sharp increase in drug addiction amongst Delhi's youth is a cause of concern. To end this menace completely, we will launch a comprehensive scheme and execute it as a Jan Andolan.**
- We will strengthen the role of RWAs in planning, execution and maintenance at a local level. We will improve the coordination between the government and RWAs and provide special funds for this work.**
- A new 'Swachh Delhi, Sundar Delhi' scheme will be initiated to ensure a clean, beautiful and pollution-free Delhi through public participation.**

Foreword

Under the visionary and decisive leadership of Hon'ble Prime Minister Shri Narendra Modi, the country has achieved many milestones since we received your unequivocal mandate in 2014 and then again in 2019. In these six years, the BJP government at the Centre has placed the country's growth on the fast track, improved the standard of living for lakhs of families and created the foundation for a more prosperous future for each and every citizen of the country. The scale, speed and scope of the transformation which we have brought to the country is unprecedented. We have set a new benchmark of clean, transparent, participative and efficient governance which has enabled this positive change for the country and its people. We have made every possible effort to fulfill our core principle of "Sabka Saath, Sabka Vikas, Sabka Vishwas". Prime Minister Modi's vision for a 'New India' is being achieved progressively with our every action and initiative. We are committed to continue on this path with single-minded focus and determined effort.

During the last six years, we have tried to ensure that Delhi is on pace with the country and it's unique place as the capital of an emerging global power is strengthened. We have worked in a dedicated manner to improve the living experience for the people of Delhi in a holistic and comprehensive manner. We have taken steps to ensure that 'ease of living' is central to our planning and execution for Delhi. In the last six years, we have efficiently completed major infrastructure projects which not only solve present issues like congestion but also anticipate the needs of the future. We have worked to enable the provision of high quality basic amenities so that the people of Delhi are able to pursue newer opportunities and bigger aspirations. In consideration of the important issues faced by the people of Delhi, we have taken historic decisions such as the regularisation of unauthorised colonies. We have focussed on making Delhi safer, better and more prosperous. We have ensured inclusive progress through considered commitment. Through our wide-ranging initiatives, we have cherished the heritage of the city and prepared it for the future. We are proud of the fact that we have achieved so much for Delhi and all sections of its citizens.

The people of Delhi know that we have managed to ensure the gains of the past years in spite of the confrontational attitude of the AAP government in the state. The AAP government tried to obstruct all our initiatives for narrow political gains and deprived the people of Delhi of even greater benefits. Key initiatives of the Central government like Ayushman Bharat, which have immensely benefited people of other states, have been denied to the people of Delhi due to the petty blocking tactics of the AAP government. Nevertheless, we have determinedly worked for the people of Delhi and ensured that their dreams of a better tomorrow are fulfilled.

Our concrete work bears testimony to our sincerity and commitment to the progress of Delhi and its people. The stark contrast of our good intentions and the political opportunism of the AAP government is clear to the people of Delhi. The complete faith reposed by you in the BJP during the Lok Sabha is a clear reflection of the will of the people. The only alternative for the rapid development of Delhi is the “double engine” of the BJP government in the Centre and well as the state. The immense possibilities which the BJP can ensure for Delhi will fast-forward Delhi into a new era of prosperity and opportunity. We are confident that the people of Delhi have made up their mind to entrust us with the governance of the state so that their aspirations and vision for Delhi are realized in a speedy manner.

We are prepared to fulfill this sacred trust with all intent, efforts and resources and it is with this objective that we launched the “Meri Delhi, Mera Sujhaav” campaign to collate the people’s vision for Delhi. Through this 15 day outreach, we engaged with lakhs of citizens in Delhi and collected more than 11 lakh suggestions from the people through various means. The suggestions, which paint the people’s dreams for this city, form the core part of our Vision which we present before you today.

Our vision is inspired by the ideas, aspirations and ambitions which the people cherish for Delhi. It is the path of progress which the people of Delhi want to embark on with us. It is the description of a more glorious tomorrow which the people envisage. It is a plan for Delhi formulated by its most important stakeholders- its people. We stand by the people of Delhi in their quest for a better life and this Sankalp Patra articulates our roadmap to realize this vision in a prompt and efficient manner.

Today, through this Sankalp Patra, we present before you our intention to make Delhi a world-class National Capital which is representative of the strength, aspirations and opportunities of New India. In the next five years, we are committed to transforming Delhi at an unprecedented pace into a modern, prosperous, and vibrant city, which will serve as a national and international benchmark.

We will ensure maximum opportunities of development and highest 'ease of living' for the residents of Delhi. We will create a Delhi with all the promise of the future while retaining all the glory of its past. We are committed to ensure that all the citizens of Delhi, irrespective of class, caste, religion and gender, have the opportunity to make a better life for themselves. Above all else, we believe that our paramount duty is to enable the women, the youth, the traders, the labourers, the slum-dweller and all others living in Delhi experience a supportive and encouraging environment as they pursue their hopes and dreams.

In the next five years, our every waking moment will be spent in fulfilling the promises of this Sankalp Patra. We are committed to use our experience, determination and dedication to ensure that the vision conveyed to us by the people of Delhi is converted into reality. We are confident that the people of Delhi will support us in this endeavour and give us a clear mandate to deliver on these commitments. With great hope and belief, we present to you our vision for a world-class and modern Delhi that we can all be proud of.

**Our Resolve to
Make Delhi
a World Class Capital
and a Modern City**

**Transformation through
Good Governance,
Technology and Public
Participation**

**Infrastructure for
Improved Ease of Living**

Housing for All by 2022

- 01** In line with Prime Minister Shri Narendra Modi's mission of "Housing for all by 2022", we are committed to provide pucca houses to all residents of Delhi by 2022.
- 02** Grave injustice has been done to lakhs of residents by the current Delhi government by not implementing the Pradhan Mantri Awas Yojana (PMAY). We will implement PMAY on priority through the State Government.
- 03** We will make affordable modern housing available to people from low and middle income groups. Loans at subsidized rates of interest shall also be made available.
- 04** We will ensure the development of all Jhuggi Bastis in Delhi. Through the "Jahan Jhuggi, Wahan Makaan" scheme, residents of Jhuggis will be provided with Pucca houses equipped with all modern amenities on a permanent basis. Under this initiative, the residents of Jhuggis will get ownership rights to a two room flat which is worth Rs. 15 Lakh in the open market. Through proper planning and development, we will ensure that Delhi becomes "Jhuggi Free".
- 05** We will make special provisions for the maintenance and upkeep of Katras and ensure ownership rights for the residents of these Katras.
- 06** Our government will formulate a policy to support Group Housing Societies for redevelopment of old flats in these societies. The FAR for these flats will be increased and a single window mechanism will be set up to provide all necessary clearances within 90 days. The same measures will be implemented for DDA flats as well.
- 07** The housing units built by DDA will be allotted in a speedy manner. Over 52,000 houses built in the industrial areas for labourers and people belonging to the lower income group will also be allotted on a priority basis.
- 08** We will empower and strengthen the Delhi Urban Shelter Improvement Board to help accelerate the creation of new housing in Delhi.

02

Modern Amenities and Ownership Rights

- 01** Building on the historic decision of the BJP government under the leadership of Shri Narendra Modi to regularise unauthorised colonies, a special 'Colonies Development Board' will be established to equip these colonies with civic amenities such as schools, community centres, hospitals, roads, gutters, and sewers on a priority basis.
- 02** We will ensure ownership rights for residents of all Resettlement Colonies by converting their properties into freehold properties on priority basis.
- 03** Over 22,000 dilapidated properties and floors in 23 colonies such as Karol Bagh, Paharganj, Daryaganj etc. shall be regularised after payment of nominal damage charges and ownership rights will be given for the same by making them
- 04** The important issue of NOCs for self-allotment societies will be resolved on priority.
- 05** We are committed to protect the rightful interests of the Pagdi tenants in the city and we will take all necessary steps to ensure the same.
- 06** All the land records of DDA and L&DO will be digitalized and placed online. Certified copies will be provided within 3 days after payment of a nominal fee.

03

Infrastructure for Ease of Living

- 01** We will initiate a “Samriddh Delhi Infrastructure Scheme” with a provision of Rs 10,000 crore to ensure ‘ease of living’ for the residents of Delhi through focussed and priority creation of key infrastructure such as roads, flyovers, foot over bridges (FOBs) etc.
- 02** There are many areas in Delhi which have been neglected and remain underdeveloped. A special scheme will be formulated for the rapid development of these aspirational areas.
- 03** Road junctions with high-volume will be equipped with flyover bridges to ensure decongestion. For pedestrian convenience, FOBs will be constructed at such junctions.
- 04** Over bridges and under passes will be constructed on busy railway crossings to prevent traffic jams.
- 05** Scenic, green pedestrian walkways will be built all over Delhi. Footpaths will be upgraded and constructed across the city to ensure pedestrian convenience.
- 06** To encourage the use of cycles and make cycling convenient, we will build dedicated cycle tracks and designate selected streets as Cycle Ways.
- 07** Major roundabouts in Delhi will be beautified with Smart Solar Tree/ Smart Solar Lotus which will generate clean electricity to meet the power requirements at the roundabout and provide the surplus power to the electricity grid.
- 08** In order to ensure improved connectivity to rural areas such as Najafgarh, Narela, Bawana etc., we will construct new roads as per requirement and upgrade existing roads.

- 09** All existing street light poles will be converted to Smart Poles with mounted solar panels, CCTV cameras, Wi-Fi and pollution monitoring equipment.
- 10** A massive exercise shall be undertaken on priority to convert all overhead and hanging electric cables to underground cables across Delhi.
- 11** We are committed to ensuring piped supply of cooking gas for households.
- 12** All the remaining 351 roads in Delhi, that fall under mixed land use, will be notified in order to ensure their regular maintenance.

04

Resolve of Jal Jeevan

- 01** We are determined to liberate Delhi from its dependency on tankers for drinking water. We will make dedicated efforts towards providing clean water on tap for every household by 2024 and free the people of Delhi from water scarcity and contaminated water.
- 02** We will make all efforts on priority to ensure that the purity and quality of water in Delhi is in line with global benchmarks.
- 03** We shall encourage water harvesting by private citizens through due incentives and ensure rain water harvesting infrastructure on all government buildings.
- 04** Housing societies and hotels will be incentivized to set up waste water recycling plants through a comprehensive policy so that the recycled and treated water can be used for gardening and flushing.
- 05** Effective action will be taken for speedy construction of Renuka Dam in Himachal Pradesh for easing the water shortage in Delhi.
- 06** We will revamp the Delhi Jal Board to improve its capacity and make it an effective service provider.
- 07** All major markets and public places will be equipped with water ATMs to ensure availability of clean drinking water.

05

Benchmark Connectivity

- 01** In order to ensure that Delhiites are able to benefit from an extensive Metro system, we will expedite the work on the three under-construction lines of Metro Phase-IV and ensure speedy approval for the other three proposed lines.
- 02** 10,000 new Green Buses fitted with all modern facilities will be added to the public transport fleet.
- 03** In order to improve connectivity in Delhi, the routes of DTC buses will be reviewed and rationalised in a holistic manner and the frequency of night buses will be increased.
- 04** We will increase the number and frequency of 'Ladies Special' buses.
- 05** More U-Specials will be started to enable easier commuting for university and college students.
- 06** Connectivity between Delhi and neighbouring satellite towns will be effectively improved by offering more DTC and metro/train services.
- 07** We will introduce double decker DTC buses in Delhi which are air-conditioned, equipped with video and are Wi-Fi enabled.
- 08** High quality free Wi-Fi will be provided on public transport vehicles and at stations/stops.
- 09** Easy availability of an integrated smart card for travel on all modes of transport including metro, DTC buses and metro feeder coaches will be ensured.
- 10** All feeder services will be expanded comprehensively.

11 All Interstate and Intercity bus terminals will be upgraded to make them more modern. Passenger amenities such as food courts will be ensured at these terminals.

12 We will increase the number of CNG stations in Delhi.

13 Multi storey parkings will be developed and expanded all across the city in Private Public Partnership (PPP) mode.

14 We will consult with all stakeholders to rationalize the fares for cab aggregators such as Uber and Ola.

15 Auto Rickshaw owners driving autos which are older than 15 years will be provided subsidy for buying new autos.

16 We will extend ESI coverage to Auto Rickshaw drivers.

17 In order to ensure better last mile connectivity, we will formulate a comprehensive e-Rickshaw policy which will ensure convenience and safety of drivers and passengers and reduce the possibility of accidents.

18 Fitness certificates for e-Rickshaws, which are presently renewed on a yearly basis, will be required to be renewed once in three years only and at no cost.

19 In order to encourage solar charging of e-Rickshaws, we will facilitate the establishment of an adequate number of charging stations.

20 We will enable insurance coverage for e-Rickshaw operators.

21 Construction and development of over 200 kilometres of a Special Cycle Walk Track will be completed at an expedited pace.

06

Modern and Affordable Healthcare

- 01** We will implement the Ayushman Bharat Yojana, which has been introduced by the Prime Minister Modi led BJP government in the country, in Delhi so that the people of Delhi can benefit from free treatment upto Rs. 5 lakh.
- 02** We will ensure access to high-quality and affordable health services for the people of Delhi by increasing the health budget by 10% every year.
- 03** Our holistic and comprehensive vision for health services will focus on prevention, promotion of health and wellness employing the latest technology.
- 04** Moving towards 'Universal Healthcare for All', we will expand all services starting from primary care to the most advanced care. All Delhi government hospitals will be transformed and modernized to provide 21st century health care.
- 05** We will increase the number of in-patient beds in government hospitals and augment the infrastructure to provide improved health care during night hours.
- 06** Every government hospital with 100 to 150 beds will be equipped with all necessary medical and diagnostic equipment.
- 07** OPD services will be expanded in hospitals to accommodate more patients.
- 08** Special OPDs will be organized in government hospitals on Sundays (Sunday Clinics) for senior citizens.
- 09** We will establish 400 Health & Wellness Centres under the Ayushman Bharat scheme, across Delhi. These centres will provide services for child birth, neonatal health, child and adolescent health, management of communicable diseases, screening for non-communicable diseases, preventive healthcare and services for eye, ENT, mental and dental health.

- 10** We will modernize Primary Health Centres adding more services and procedures.
- 11** To strengthen healthcare facilities for low-income families living in Delhi, we will provide sophisticated Mobile Health Centres, which will offer awareness, immunization, screening, diagnosis and treatment of illness as well as referral services.
- 12** New Jan Aushadhi Centres providing quality medicines at affordable prices will be established across Delhi in large numbers.
- 15** Issues related to mother and child care will be dealt with on a mission mode so that relevant schemes are implemented in an expedited manner and mothers and children can benefit from these schemes.
- 16** For reducing infant mortality, the number of PICU units in government hospitals will be increased.
- 17** We will increase the capacity of Mother and Child Health Centres so that mothers and newborns get due care promptly.

- 13** We will launch a new “Mission Zero” to ensure that diseases like Dengue, Chikungunya and Malaria do not claim any lives in Delhi and the spread of these diseases is controlled, through increased vigilance, cleanliness and early diagnosis of these diseases.
- 14** On the lines of Polio eradication, we will work towards eliminating TB, Leprosy, Anaemia, Measles, Malaria, Hookworm Infection, Encephalitis and Filariasis on a war footing.
- 18** We will launch a massive immunization drive for all vaccine preventable diseases to ensure protection of children. We are committed to achieve the target of 100% vaccination well before the timeline so that Delhi becomes a model for the rest of the country.
- 19** We will launch a ‘Childhood Blood Lead Screening Drive’ to address the grave issue of lead exposure which has a profound detrimental effect on the intellectual and physical development of children who are less than five years old.

- 20** We will create additional facilities and infrastructure in hospitals to reduce the waiting time for cataract surgery.
- 21** We shall relaunch special drives in mission mode like Cataract Free Delhi, Shravan Shakti Abhiyaan, Matru Suraksha Abhiyaan, Special Immunization etc. which were started by the BJP government in Delhi.
- 22** Considering the rapidly growing number of cancer cases, we will provide mobile medical vans for screening and early detection of cancer in low-income areas.
- 23** Concerned about the growing menace of drug addiction amongst youth, we will set up several more de-addiction centres which will be adequately staffed with psychiatrists and psychologists, in order to manage this social evil.
- 24** We will provide services for the diagnosis, prevention, control and management of occupational and environmental illnesses in all government hospitals.
- 25** For efficient delivery of healthcare, we will engage representatives from RWAs to constitute 'Arogya Committees' and provide them with grants to ensure effective functioning of health care centres.
- 26** An annual health screening will be conducted for every citizen of Delhi. For this, Smart Health Cards with fully digitalized health information will be issued and they will be a part of the National Digital Health Mission. Annual health camps will also be organized in schools.
- 27** Ambulance services will be expanded to ensure that they are available promptly.
- 28** Branches of Chaudhary Brahm Prakash Ayurvedic Hospital will be started in East, North and South Delhi.
- 29** We will set up an Institute of Integrative Medicine for research, development and treatment in traditional and complementary medicine, consisting of non-pharmacological interventions and practices in Homoeopathic, Ayurvedic, Siddha systems of alternative medicine under one roof.
- 30** An All India Institute of Homeopathic Medicine will be set up. This will boost research in the field of Homeopathy.
- 31** Tibbia College will be developed as an Institute of National Importance.
- 32** All new hospitals will be developed in line with the concept of Green Hospitals. We will facilitate transformation of existing hospitals into Green Hospitals to provide sustainable healthcare. Green hospitals will integrate environment friendly solar energy, water harvesting systems, maximum utilisation of natural light, minimal energy demands, water recycling and sound waste management practices with ample greenery.
- 33** We are committed to bringing a digital revolution in healthcare in Delhi. Using information technology, we will integrate modern tools like Artificial Intelligence, Block Chain, Cloud Computing, Robotics, Telemedicine, Health Variables, Internet of Things and Gene Therapy for extending precision health services.

Improved Opportunities in Education

- 01** In order to ensure best educational opportunities for the children in Delhi, we will ensure dedicated focus on the education sector and increase the education budget by 10% every year to make adequate resources available for the sector.
- 02** In view of the growing population of Delhi and requirement of new schools, we will open 200 more schools to meet the goal of Sarva Shiksha. In addition, we will revive the concept of neighbourhood schools.
- 03** We will accord high priority to setting up more schools and colleges for women in rural areas of Delhi.
- 04** We will increase the number of Pratibha Vikas Vidyalaya schools, which were made operational by the BJP government in Delhi, for encouraging talented and gifted students. In these schools, students will receive facilities for holistic and all-round development.
- 05** We will open 10 new colleges in Delhi and start new Post Graduate courses so that adequate opportunities of higher education are available for the students in Delhi.
- 06** To impart knowledge of modern technologies to students in Delhi, a high-level technological institute shall be set up where courses related to Cyber Security, Artificial Intelligence, Big Data, 3D Technology, Cloud Computing and Quantum Computing will be conducted.
- 07** We will formulate a policy to start new residential hostels for students. We will build new and well-equipped hostels for the students of Delhi University.
- 08** Right to Education will be implemented in an effective manner.
- 09** Selected students in Delhi receive a scholarship of Rs 1,000 per month for middle and higher school education under the 'Means-cum-Merit' scholarship scheme of Central Government. We will provide an additional amount of Rs 1,000 per month to these students from the State Government.

- 10** We will simplify and ease the terms and conditions for granting educational loans to poor students for higher education and ensure that such loans are available at favourable interest rates.
- 11** We will establish special libraries in Jhuggi areas to ensure adequate reading and study facilities for students living in Jhuggi-Jhopdi areas.
- 12** We will launch a 'Talent Hunt' programme to scout and identify the talented students and youth and nurture their talents.
- 13** All Anganwadi Centres in Delhi will be modernized and upgraded and Play School-like facilities will be made available in these centres.
- 14** We will ensure the availability of vocational training for students from 8th Standard onwards.
- 15** All students will be provided world-class training facilities in one or two sports of their liking in schools and they will be prepared for participating in district and state level sports tournaments.
- 16** A Sanskrit Board will be constituted for the promotion of Sanskrit language.
- 17** Under the aegis of Bharat Vaibhav Anushthan, we will reintroduce Sanskrit learning for students in Sanskrit medium.
- 18** The rich literature of regional languages will be incorporated in the literature curriculum taught in schools. The students will be given an option to learn other regional languages besides Hindi and English as a part of the school curriculum.
- 19** The school curricula will incorporate topics on entrepreneurship to inspire students to set up their own enterprise after completing their education.
- 20** We will focus on fields like Yoga, positive health, meditation, and value-based learning as a part of the education system.
- 21** Schools and colleges will be encouraged to offer training in traditional arts and handicrafts.
- 22** We will start novel courses in schools and colleges on arts, culture, films, environmental health, agriculture science, road safety etc.
- 23** To foster innovation and scientific temper amongst children, we will establish 1000 Atal Tinkering Labs in schools in Delhi with the help of the Central Government.
- 24** The quality and infrastructure of schools for Divyang children will be improved and more such schools will be set up.
- 25** We will review the functioning of SCERT to make its role more effective and comprehensive.
- 26** We will increase the strength of teachers in schools in line with requirements. All vacant teaching posts will be filled up in a time-bound manner.
- 27** We will ensure that qualified and competent teachers are appointed in a fair, corruption-free and transparent manner.
- 28** We will sympathetically consider the issues related to inconsistencies of pay and service conditions of teachers in schools, colleges and universities and their genuine issues will be addressed.
- 29** We will provide free life and accident insurance cover to Anganwadi workers, Anganwadi helpers and cooks and helpers employed in government schools.

08

Quality Power and Clean Energy

- 01** We will create a Smart Electricity Grid for Delhi to ensure better reliability and quality of power supply.
- 02** We would ensure an annual audit of all power companies.
- 03** We are committed to ensure energy self-sufficiency and protection of the environment by promoting renewable energy, especially solar energy on a large scale.
- 04** We will incentivize installation of solar panels in houses, colonies, offices and factories. We will facilitate the integration of these panels into the energy grid to ensure adequate power supply and cheaper power.
- 05** Conventional water booster pumps will be replaced by hybrid Solar Grid Pumps and conventional street light poles will be converted to solar-operated Smart Poles.
- 06** We will ensure the adequate and affordable availability of power to residents of Jhuggi-Jhopdi clusters by installation of Suryajyoti Domes.

09

A Clean, Healthy and Beautiful Delhi

Pollution

- 01** We will evolve a comprehensive strategy for combating air, noise and water pollution in mission-mode and a time bound manner.
- 02** We will make all necessary efforts, in coordination with the Central Government, to control air pollution and improve the quality of air in Delhi.
- 03** We will install WAYU equipment at polluted traffic junctions for purification of air. We will also work with the National Environmental Engineering Research Institute (NEERI) to install Air Purifying Towers all across Delhi.
- 04** The 'Pari-Yantra' air purification systems will be installed on the rooftops of all public transport buses.
- 05** Mechanized sweeping of busy main roads will be carried out to prevent pollution due to dust. Regular sprinkling of water will also be undertaken on a large scale.
- 06** A comprehensive public awareness campaign will be initiated, to prevent air pollution caused by the open burning of garbage, dry leaves and biomass.
- 07** We will make all efforts to reduce the use of petrol and diesel-operated vehicles and focus on incentivizing the use of electric

- 
- 08** We will facilitate the setting up of a large number of charging stations for e-vehicles, especially at petrol stations, shopping complexes and metro stations across Delhi.
- 09** We will ensure accessible and convenient public transport so that there is a behavioural preference for public transport and the use of personal vehicles is reduced.
- 10** We will erect sophisticated and scientifically designed barriers in schools to protect school children and public against noise and air pollution.
- 11** Vapour recovery systems will be installed at all petrol stations across Delhi to contain benzene vapours which are known to increase the risk of cancer.
- 12** All Central Government policies for the management of solid waste, dust control and plastic waste etc. will be fully implemented.
- 13** Funds collected under Green Cess will be optimally utilized for combating pollution.

Environment

- 01** All steps will be taken for the conservation and preservation of forest lands as well as the ridge areas and ensure that the green cover of Delhi is increased.
- 02** We will launch comprehensive campaigns for afforestation and plantation and encourage the plantation of fruit and medicinal plants through these campaigns.
- 03** Delhi has two ridges and 508 water bodies, which are facing neglect and extinction. We will restore these water bodies with the help of modern technologies.
- 04** We will set up rain water harvesting units in all public parks.
- 05** We will seek the cooperation of Resident Welfare Associations (RWAs) for converting biodegradable waste to compost, which can be used as fertilizer in parks.

Cleanliness and Waste Segregation

- 01** From the first day, we will make efforts to rid Delhi of the heaps of garbage that it suffers from.
- 02** To resolve the deficiencies in cleanliness, we will constitute a Delhi Sanitation Task Force. The task force will speed up work by coordinating the tasks of various civic agencies responsible for cleanliness and ensure improved cleanliness through better waste management.
- 03** A comprehensive plan for management of all categories of waste will be formulated through coordination between the State Government, Central Government and Municipal Corporations.
- 04** To ensure better management and disposal of waste in Delhi, maximum segregation of waste generated by homes, markets and industry into solid, biodegradable, e-waste and medical waste categories will be undertaken and ensured.
- 05** Delhi will be developed as a model city in e-waste management.
- 06** In order to mitigate the adverse impact of landfill sites (in Gazipur, Bhalswa and Okhla), advanced scientific technology will be deployed for 'waste to wealth' and 'resource creation' approaches to waste disposal.
- 07** We will increase the number of Pink Toilet Complexes in Delhi and facilities for baby feeding, sanitary napkin ATMs, disposal of used sanitary napkins and water ATMs will be ensured in these complexes.

Sewage System

- 01** In the next five years, our target will be to connect every house in all colonies across Delhi to the sewage system.
- 02** With the help of newly-developed technologies, we will modernise and improve the sewage system.
- 03** We will make the dysfunctional sewage treatment plants (STPs) in the city fully operational and more such plants will be set up to meet the requirements of sewage treatment.
- 04** Workers will be equipped with modern technology and equipment for the cleaning of sewers, to ensure their safety and health.
- 05** Sanitation and sewage workers employed by the municipal corporations will be provided cashless healthcare facilities like NDMC workers.

Plastic

- 01** We will strictly enforce the ban on single use plastic. We will also encourage reduced use, increased recycling and reuse of plastics.
- 02** Collection of plastic waste will be incentivized.
- 03** In order to realize the concept of 'Waste to Wealth' and ensure disposal of plastic waste, we will set up plants to convert single use plastic to fuel.

Cleanliness and Beautification through Public Partnership

- 01** A new 'Swachh Delhi, Sundar Delhi' scheme will be initiated to ensure a clean, beautiful and pollution-free Delhi through public participation.
- 02** Pollution control regulations will be strictly enforced and special teams will be formed in all areas for this purpose. Partnership between the government and the public will be encouraged for this purpose.
- 03** We will popularize 'Green Good Deeds' among school children and a large-scale awareness programme against pollution will be conducted in all schools.
- 04** We will inspire and encourage people to increase plant cover in their balconies and rooftops.
- 05** Collecting plastic waste while on a stroll, which is called Plogging, will be popularized as a mass movement.

Delhi's Lifeline – Yamuna

- 01** We will constitute a 'Delhi Yamuna Vikas Board' to ensure clean and uninterrupted flow of Yamuna and development of its adjoining areas.
- 02** We are committed to take all steps to free Yamuna of pollution in a time bound manner. We will adopt a multi-pronged approach and ensure coordination with all entities for the same.
- 03** An annual festival called 'Yamuna Mahotsav' will be organized to highlight and celebrate the religious importance of Yamuna.
- 04** A Yamuna Museum will be established on its banks. Multiple venues for social and cultural activities will also be developed along the river.
- 05** We will build a network of Ghats on the Yamuna to ensure proper facilities during Chhath Puja.
- 06** We shall set up a Water Taxi service between Wazirabad and Sonia Vihar, Jagatpur and Tronica City at affordable prices. This will be a non-polluting mode of transport and will also save time for travellers.
- 07** A Rs. 12,000 crore project for developing a waterway from Delhi to Agra to Prayagraj on the Yamuna river has been prepared by our government in the Centre.
- 08** The river banks shall be developed as an eco-tourism hub on the lines of work done along the banks of the Sabarmati in Ahmedabad and Ganga in Varanasi.
- 09** We will deploy bio-remediation technology for cleaning up Yamuna. We will develop and use biological treatment of industrial pollutants at source and expand the capacity of sewage treatment plants (STPs).
- 10** We will encourage all citizens of Delhi to become a part of the 'Save Yamuna' campaign.

Protecting the Dignity of Women

- 01** In line with our pledge of 'Beti Bachao, Beti Padhao', we will start a new scheme to deposit a fixed amount on the birth of the first 2 girls in every economically weak family in their name, so that they can receive a benefit of Rs. 2 lakh when they attain the age of 21.
- 02** We shall create a special corpus for providing financial assistance to meritorious young women who wish to pursue higher education.
- 03** To provide encouragement to girl students from economically weaker sections, the government will give a bicycle to each such girl studying in classes between 9-12.
- 04** To promote higher education among girls from the economically weaker sections of society, an Electric Scooty will be given to poor girls enrolling in colleges.
- 05** We will establish a 'Women Empowerment Mission Board' to promote all round development of women and enable holistic deliberation on issues related to women.
- 06** Free Sanitary napkins will be made available for girls studying in schools.

Women's Security

- 01** We are committed to protecting the dignity of and instilling a sense of security amongst women. To ensure dedicated efforts and adequate resources for these goals, we will launch a new 'Rani Laxmibai Mahila Suraksha Yojana'.
- 02** We will make comprehensive use of information technology for women's security. A 24-hour, fully-functioning, call centre will be established as a 'single point support system' for women's security.
- 03** A Women's Security Cell will be established under the Chief Minister's Office, which will coordinate with Delhi Police for swift action on issues of women's security.
- 04** For speedy redressal of crimes against women, we will establish more fast track courts. We will ensure strict implementation of all laws for women safety and security, especially in cases of rape.
- 05** To strengthen women's security, we will eliminate all dark spots in Delhi on priority.
- 06** We will deploy female Home Guard personnel in all crowded and congested areas of Delhi and also install CCTVs in such locations.
- 07** We will include self-defence training as a part of the school curriculum with priority to martial arts.
- 08** For protection and rehabilitation of victims of domestic violence, we will establish new shelter homes.
- 09** Separate Night Shelters shall be set up for homeless women and their children.

Working Women

- 01** We are committed to protect women against abuse, harassment and exploitation at the workplace. We will also ensure parity of wages and gender justice for working women.
- 02** In order to ensure adequate and affordable accommodation for working women, the number of working women's hostels will be increased.
- 03** For the children of working women, crèches will be provided at work places and construction sites. These crèches will be equipped with baby feeding rooms, toys, hygienic facilities and staff trained as per the standards of Anganwadi workers.
- 04** Women working as domestic helps will be provided skill training through free short-term courses and they will be linked to social security initiatives to make them more effective and protect their interests.

Orphanages/Children Care Homes

- 01** Transparency will be brought in the functioning of all orphanages and child care homes while ensuring public participation. A policy will be formulated to ensure all-round development of children staying at these homes.

Women Entrepreneurs

- 01** We will make all efforts to encourage entrepreneurial spirit among women and provide them all possible assistance to make entrepreneurship a means of women's empowerment.
- 02** We will provide capital subsidy as well as interest subsidy for women who are starting up businesses for the first time.
- 03** Loans on easy terms will be made available for women to recapitalize and expand their enterprises.
- 04** We will ensure holistic female participation in the economy through Self Help Groups. For marketing of goods produced by women entrepreneurs and self help groups, we will provide support by setting up haats etc.
- 05** For making women self-reliant, vocational and skill-enhancement training will be imparted.

Promotion of Trade and Industry

Trade

- 01** BJP's government in the Centre has constituted a National Traders Welfare Board to ensure the welfare of small traders. A similar Traders Board will be set up at the state level. The board will be a forum for coordination between traders and the government on issues of concern and it will facilitate single window mechanisms for approvals and licenses.
- 02** We will take all administrative and legal steps to ensure that the problems being faced by residents of Delhi due to the sealing drive are addressed. We will work with the Central Government to provide further relief through suitable amendments in the Master Plan.
- 03** 10 lakh offices and shops of traders in Delhi will be converted from leasehold to freehold on priority basis.
- 04** All registered traders/entrepreneurs will be granted the benefit of accident insurance.
- 05** We will ensure registration of all eligible traders under the 'Pradhan Mantri Laghu Vyapari Mandhan Yojana' under which the traders will be able to benefit from a pension of upto Rs. 3000 after they attain the age of 60 years.
- 06** We will provide improved and expanded amenities in all markets of Delhi.

Industries

- 01** We are committed to make Delhi a Services Hub of international standing to ensure rapid economic development. To achieve this goal, we will initiate a new scheme on priority to bring prosperity and increase employment through development of the services sector and by giving special attention to education, health, tourism, retail, medical tourism and fashion-lifestyle services.
- 02** To make Delhi a centre of research and manufacturing of new and innovative energy technologies in Delhi, a Green Industry Corridor will be set up for green energy technology companies.
- 03** We will remove all obstacles in the functioning of over 3 lakh household industries by streamlining all regulatory and approval processes.
- 04** In consultation with the Central Government, we will provide a facility to have a composite license in place of several licenses that are currently required for establishing an industry. We will abolish the requirement of MCD licences in industrial areas.
- 05** To support those intending to start an enterprise, Single Window Clearance Centres will be established in industrial areas.
- 06** We will establish grievance redressal centres in all industrial areas.
- 07** We will rationalise the existing tariff structure for commercial power and bring it in line with tariffs in other states.
- 08** We will revisit the 2005 policy of the Delhi government for conversion of industrial property to free hold and make it more liberal and practical.
- 09** We will convert all DSIIDC owned resettled industrial plots to free hold and industrial plots divided within families will be regularized and made free hold.
- 10** Plots of industries that have relocated to the Bawana industrial area will be converted to freehold. The current three-fold maintenance charges will be abolished and property tax will also be waived.

Harnessing Energy of the Youth

- 01** We will provide employment opportunities to at least 10 lakh youth in the next five years so that the youth are empowered to pursue their aspirations.
- 02** We will establish a 'Youth Welfare Board' to promote all round development of our young population.
- 03** We will establish an Innovation Council to promote innovation in Delhi.
- 04** In order to develop Delhi as a Startup City and to help the youth of Delhi become successful entrepreneurs, we will launch focussed initiatives like a Rs 1000 crore 'Startup and Innovation Fund', a long term startup policy and establishment of Incubation Centres and Co-working Spaces.

- 05** Employment exchanges will be upgraded and modernized to connect the youth to employment opportunities and they will be made more effective than placement agencies. We will use technology to make access to employment more effective and transparent.
- 06** We will establish ‘Vishwakarma Kaushal Vikas Vishwavidyalay’ for imparting cutting edge skill development courses and ready the youth for the future. We will ensure 100% placement for graduates of this university.
- 07** We will establish ‘Kaushal Vikas Kendras’ across Delhi to provide short-term skilling focused on upgrading skills in respective vocations.
- 08** We will enable training in different foreign languages so that people have the opportunity to work as tourist guides.
- 09** We will launch online courses and virtual classes to help the youth acquire vocational skills and qualifications.
- 10** The sharp increase in drug addiction amongst Delhi’s youth is a cause of concern. To put an end to this menace, we will launch a comprehensive scheme and execute it as a Jan Andolan.

Nurturing Sporting Talent

- 01** We will frame a new Sports Policy to promote and nurture sporting talent which will be in line with Prime Minister Modi's initiatives of 'Fit India' and 'Khelo India'.
- 02** We will establish a Sports University in Delhi to create institutional infrastructure for sports. Sports academies will also be developed at the district level.
- 03** We will maximize the use of existing sports infrastructure and set up new sports stadiums as per requirement.
- 04** We will offer modern facilities and resources to players to raise their calibre and to enable them to participate in international sports events.
- 05** We will formulate a new scholarship scheme for sportspersons.
- 06** Those excelling in sports at district and state level will be given due recognition and prestigious awards.
- 07** We will offer job security for sportspersons through employment opportunities in areas of their choice and government jobs along with attractive career packages, so as to ensure their financial stability.
- 08** Traditional Indian sports like Kabaddi, Kho-Kho, Malkhamb and Kushti will be promoted.
- 09** As a part of 'Fit India' and 'Khelo India' initiatives, we will establish 500 open gyms in the parks of Delhi to promote health and fitness. We will also develop children parks and theme parks across the city.
- 10** We will take all steps to ensure allocation of space for sporting activities in new residential colonies.

Progress Driven by Good Governance

- 01** To ensure that Delhi develops rapidly, we will make all efforts to ensure perfect synergy between the Central Government, State Government and the municipal corporations. We are committed to create new opportunities of multi-dimensional progress for the people of Delhi while following the principle of 'Co-operative Federalism'.
- 02** The BJP government under the leadership of Prime Minister Modi has set an example of clean, corruption-free and transparent governance in the last 6 years. We are committed to replicate this example to provide a clean and honest government to the people of Delhi and we will take all steps in this regard.
- 03** Showcasing BJP's zero-tolerance policy towards corruption, the BJP government at the Centre has implemented the Lokpal Act at the national level. This will remain a priority for us in Delhi.
- 04** We will ensure strict provisions to deal with corruption and will establish fast track courts to process such cases quickly.
- 05** Citizen Charters will be implemented effectively in every government department and organization.
- 06** Special Public Grievance Redressal Units will be set up in all government departments to ensure speedy redressal and time-bound disposal of complaints from citizens.
- 07** We will set up a web portal and an App for people to register all complaints and suggestions regarding government services. The complaints and suggestions received will be transmitted to the concerned departments, who will be required to submit an Action Taken Report on the complaint within 30 days.
- 08** We will ensure social audits to ensure effective and transparent execution of social schemes and non-government civic organizations will be involved in this process.
- 09** We will ensure optimal and proper utilization of government infrastructure, especially schools and hospitals.

Mission 'Digital Delhi'

- 01** We will transition all processes to the digital domain which will help in the efficient functioning of government offices, banks and commercial establishments and increase transparency while reducing corruption.
- 02** Digitalization of government documents will be completed on a priority basis so that they are easily accessible to the public.
- 03** We will render all services online so as to end corruption.
- 04** All land and building records in Delhi will be computerized.
- 05** All courts will be provided with e-libraries along with high speed Wi-Fi facility.
- 06** Tenders for key projects in all departments will be issued as e-tenders and entire procedures for tendering will be recorded to ensure transparency.

Public Participation

- 01** We will strengthen the role of RWAs in planning, execution and maintenance at a local level. We will improve the coordination between the government and RWAs and provide special funds for this work.

Synergy with Municipal Corporations of Delhi

- 01** We will empower the Municipal Corporations and increase their budgetary allocation so that projects which benefit the public can be completed expeditiously.
- 02** All the developmental works of MCDs will be made people-centric. Financial assistance will be provided to the MCDs for maintenance in group housing societies and an institutional mechanism for coordination with these societies will be established.
- 03** In line with the provision for various development works in other areas through local development funds earmarked for MLAs, MPs and councillors, we will enable development work within group housing societies through these funds.
- 04** We will sanction approval through a single plan in cases where there is compounding of two small plots or division of a big plot.
- 05** All residential colonies will be provided with modern and well-equipped community centres.

New Steps for Law & Justice

- 01** We are committed to ensure easy and timely justice to each and every citizen. Considering the huge backlog of pending court cases, we will organize Lok Adalats across Delhi to ensure quick disposal of a large number of cases.
- 02** We will set up fast track courts in adequate numbers to ensure quick disposal of cases related to heinous crimes against women and rapes.
- 03** For quick hearing of cases filed by senior citizens, special courts will be set up.
- 04** For the safety and security of ordinary people, we will strengthen and incentivize the civil defence and home guard mechanisms so that they are able to assist during emergencies.
- 05** The firefighting machinery will be streamlined and made more effective and comprehensive. We will arrange training in fire safety and ensure fire safety audits.

Tourism and Conservation of Heritage

- 01** Delhi is a historic city visited by an ever increasing number of tourists every year from across the world. We will showcase Delhi as a World Heritage globally so that tourism, employment and urban development receives a boost.
- 02** We will make Delhi secure and convenient for tourists and develop it as an important destination on the international tourist circuit.
- 03** We will beautify and develop the monuments and historic sites in Delhi so as to attract tourists.
- 04** All historic monuments under the Archaeological Survey of India will be properly maintained to preserve their historic grandeur. All historic monuments will undergo greening and will be properly illuminated during the night so as to attract more tourists.
- 05** All historical monuments and archaeologically important sites will be freed of encroachments and will be equipped with amenities to make them clean, attractive and tourist-friendly.
- 06** We will establish Tourist Help Centres at various places so that tourist services can be hired at a fair price.
- 07** We will introduce high-tech tourist coaches equipped with all amenities to make the tourist experience more memorable.
- 08** We will formulate a plan to organize a Delhi Shopping Festival every year.
- 09** To showcase Delhi overseas, we will introduce single window clearance and other incentives for shooting films in Delhi.

10 To develop Delhi as a cultural hub, we will organize a series of festivals like the Literary Festival, Food Festival, Heritage Festival, Delhi Theatre Festival, Delhi Kids Carnival, Delhi Classical Music and Dance festival, Talent Shows and other exhibitions on a grand scale.

11 In order to present the heritage of Delhi before the world, a global Atulya Bharat Marathon and Cyclothon will be organized in Delhi.

12 A three-month tourist guide course will be conducted after online registration through a portal under Atulya Bharat Paryatak Sahyog Yojana.

13 We will formulate a plan to rejuvenate all water bodies in Delhi and develop these as major tourist spots.

14 Wazirabad Lake, Malcha Mahal, Wazirpur Monument complex and Rani Mahal will be developed from a tourism perspective.

03 The Shahjahanabad Redevelopment Corporation has not been able to gain adequate pace in transforming the Chandni Chowk area. We will constitute a new 'Chandni Chowk Redevelopment Board' which will not only preserve the age-old heritage, but also speedily provide modern amenities to this heritage area.

Art and Culture

01 We will set up a 'Delhi Heritage Museum' which shall exclusively showcase the rich historic heritage, art and culture of Delhi.

02 We will establish special institutions for imparting training in classical music, dance, painting and sculpting etc.

03 We will honour and felicitate all writers and artists including those working in regional languages.

04 We will preserve and develop the rich history, folk traditions, culture and languages of rural parts of Delhi.

Heritage Areas

01 The historic Old Delhi (Walled City) will be given a facelift to make it modern and picturesque.

02 We will establish an Old Delhi Conservation Authority to protect the heritage sites and boost tourism in Old Delhi.

Effective Public Distribution System

- 01** Aata (wheat flour) will be provided to poor families at a subsidized rate of Rs. 2 per kilogram through the Public Distribution System (PDS).
- 02** We will establish a 'CM Jan Kalyan Kosh' to ensure availability of essential food items at stable prices through direct market interventions. This will ensure that people are not affected by high prices of basic food items.
- 03** We will ensure greater accountability and efficiency in the PDS system. Ration distribution system will be fully computerized to prevent pilferage and will be made available online.
- 04** Economically weaker individuals/families, who do not have ration cards, will be provided with ration cards.

Focus on Rural and Agricultural Development

- 01** On the lines of the vision given by Prime Minister Shri Narendra Modi, we will create Smart Villages leveraging innovation and modern technology. We will ensure that the unique needs of the rural areas of Delhi are met in a holistic manner.
- 02** We will amend the Delhi Land Reforms Act, 1954 to abolish Sections 81 A and 33 to enable farmers to use their land as per their choice and address the issues in sale and purchase of the lands.
- 03** We will ensure ownership rights for land parcels granted under the 20-point programme.
- 04** In addition to the compensation given in lieu of land acquisition, farmers will also be given an alternate residential plot.
- 05** 50% of the Gram Panchayat and Gram Sabha lands in Delhi will be earmarked for rural development.
- 06** Pradhan Mantri Kisan Samman Nidhi will be implemented in Delhi and an annual Samman Nidhi of Rs. 6000 will be disbursed directly into the bank accounts of eligible farmers.
- 07** Individuals engaged in occupations, like potters, barbers, blacksmiths etc., will be provided easy loans at favourable rates.
- 08** In order to ensure the development of rural areas, the ‘Rural Development Board’ will be made more effective. We will also increase their grant amount.
- 09** For planned and rapid development of 300 urbanized villages, we shall set up an ‘Urbanized Villages Development Board’.
- 10** The remaining 60 rural villages will be notified as ‘urban’ to enable better development of these villages.

- 
- 11** Farmers shall be offered a fair minimum support price for crops and Collective Crop Insurance will be enabled for produce arriving in Mandis.
 - 12** We will establish a network of neighbourhood organic fruit and vegetable distribution centres in various colonies to ensure availability of organic produce and provide a new avenue of income for farmers.
 - 13** We will take steps to protect the area under the jurisdiction of Gram Sabha so as to safeguard village culture and ethos.
 - 14** Villages will be developed to promote 'village tourism' so as to showcase their traditions, culture, handicrafts and lifestyle.

Animal Husbandry and Gaushalas

- 01** All milch cattle will be brought under the ambit of insurance and regular health checkups will be ensured for them.
- 02** We will encourage and incentivize the purchase and rearing of cows of indigenous breeds.
- 03** We will enable a special marketing system for milk from cows of indigenous breeds.
- 04** We will ensure that all stray animals will be rehabilitated in well-equipped animal shelters and Gaushalas.
- 05** Non-governmental organisations will be engaged in running and upkeep of animal shelters and Gaushalas.

Targeted Welfare for All

Scheduled Castes, Scheduled Tribes & Other Backward Sections

- 01** We will ensure allotment of houses under a special scheme for allotment of housing for families belonging to the Scheduled Castes.
- 02** All vacant posts reserved for Scheduled Castes, Scheduled Tribes and OBCs will be filled up on priority and time-bound promotions will be ensured.
- 03** Youth belonging to Scheduled Castes and Tribes will be provided loans without guarantee for supporting self-employment.
- 04** Special Economic Cells will be set up to encourage self-employment among backward class youth and for their economic empowerment.
- 05** The government will constitute a 'Board for Extremely Backward Classes' for ensuring progress of individuals belonging to extremely backward classes.
- 06** An 'Economically Weaker Sections Commission' will be constituted in order to redress the issues of the economically weaker sections of the General category and ensure their progress.

Organized / Unorganized Labour

- 01** To bridge the information gap between trained youth and available employment opportunities, a Dynamic Labour Management System will be evolved which will have updated information on availability and opportunities of employment.
- 02** We will review the minimum wage for labourers and make appropriate revisions to the same.
- 03** The workers hired on Fixed Period Contracts will be entitled to equal wages, better working conditions, gratuity and ESI benefits at par with regular employees.
- 04** We will introduce a new scheme called the 'Delhi Shram Samman Yojana' under which we will enroll unorganized workers to provide them with a comprehensive social security package including an identity card, a Jan Dhan bank account, health coverage under Ayushman Bharat and life and accident insurance.
- 05** We will also ensure 100% enrolment under the Pradhan Mantri Shram Yogi Mandhan Yojana to enable unorganized workers to avail a pension of Rs. 3000 per month after they attain 60 years of age.
- 06** The ESI scheme is applicable to factories with more than 10 workers. We will make provisions to ensure that factory workers in factories with less than 10 workers can also avail the benefits of the scheme.
- 07** For speedy resolution of labour disputes, a two-member Industrial Labour Tribunal will be constituted.
- 08** We will allot permanent sites and identity cards to vendors who put up stalls in weekly markets.
- 09** To protect the livelihood of street vendors and Redi-patriwalas, we will ensure an immediate survey in order to regularize them. They will also be provided with life insurance. Additionally, they will be provided designated places and will be issued a license in a simplified manner.
- 10** We will set up special mobile child care centres near construction sites across Delhi to ensure child care services for children of women workers engaged in construction sites.

Senior Citizens

- 01** A 'Varishth Nagrik Swabhiman Board' will be constituted to ensure the welfare of Senior Citizens in Delhi and to protect their interests.
- 02** We will set up recreational centres for elderly and ensure adequate investment for their improvement. Similarly, we will upgrade the amenities at Old Age Homes and set up new Old Age Homes as necessary.

Ex-Servicemen

- 01** We will make suitable provisions to appoint one child of ex-servicemen and martyred soldiers as teachers in schools of Delhi.
- 02** We will work to ensure 5% reservation for ex-servicemen in Delhi government jobs in consultation with the Defence Ministry.
- 03** We will consult with the Central Ministry for Housing to provide 5% reservation for ex-servicemen in allotment of homes built by DDA.

Divyang

- 01** Under the 'Sugamya Bharat Mission', all government offices and government agency buildings in Delhi will be made fully accessible for Divyangs by provision of ramps and other facilities.
- 02** Existing infrastructure at bus stops and auto stands shall also be made suitable for Divyangs. Similarly, metro and buses will also be made accessible and convenient for Divyangs.
- 03** A special policy will be formulated for Divyangs, under which Care Homes will be established for them. Special emphasis will be given for implementation of Central Government policies for specially abled people.
- 04** We will build a dedicated sports complex in Delhi for Divyangs on the lines of the 5 Divyang Sports Stadia being built by the Central Government across the country to provide sporting facilities for Divyangs.
- 05** Homeless Divyang individuals will be provided with all amenities to help them lead a life of dignity and respect.
- 06** We will ensure adequate food, education, health, employment and housing opportunities for those Divyangs who are in need of the same.
- 07** Financial support will be given to Divyang students studying in government schools.

Sanitation Workers

- 01** In case of on-duty death of a sanitation worker, one member of the worker's family will be offered government employment.

- 02** The long-pending arrears of Safai Karamcharis under the Municipal Corporations shall be cleared on priority with assistance of the Central Government.

Homeless, Street Children & Rag Pickers

- 01** An effective policy for the welfare and development of destitute, homeless, beggars, rag pickers and homeless street children will be formulated and an inclusive scheme will be developed for them.
- 02** We will launch a scheme to ensure productive livelihood opportunities for rag pickers through waste-segregation, recycling and disposal, and they will be provided with adequate health services.

Minorities

- 01** Special skill development and entrepreneurial training centres will be created for minorities, and preference will be given to women. Women belonging to minority communities shall be provided loans on easy terms to help them set up their own businesses.
- 02** We will set up more schools in minority settlements for promoting education and existing schools will be upgraded.
- 03** We will set up a Delhi Madarsa Board and integrate modern education in Madarsas.
- 04** Protection of Waqf properties will be ensured in consultation with relevant religious entities.

22

People from North Eastern States Residing in Delhi

- 01 Safety and security of residents belonging to North Eastern states will be ensured through a 24-hour Help Line with permanent arrangements for coordination with police stations.
- 02 To resolve the issues related to availability of housing for students and working population from the North East, we will set up special hostels for men and women from North Eastern states.

23

Justice to the Victims of 1984 Riots

- 01 We are committed to ensure justice for the victims of the 1984 riots. For this, all recommendations of the SIT appointed by Hon'ble Supreme Court would be implemented and fast track courts would be constituted.
- 02 SIT appointed by the Hon'ble Supreme Court has observed that trials were held in an illegal manner and they were sham trials. All cases would be examined for such issues and suitable action would be taken.
- 03 Jobs will be given to one child of the victims who lost earning family members during the 1984 riots.
- 04 Pension given to widows who lost their husbands in the 1984 riots will be enhanced from Rs 2500 to Rs 3500 per month.

24

Protecting the Interests of Government Employees

- 01** All vacant posts in government departments and subordinate offices will be filled up within the first year of assuming office, thereby creating more employment opportunities and paving the way for the promotion of existing employees.
- 02** New posts will be sanctioned to fill the shortage of staff in government departments and these posts will be filled promptly.
- 03** Contract workers employed in government hospitals, government schools and all other government bodies and institutions will be given a job guarantee till the age of 58.

Facilities for Media

- 01** We will provide pension to all journalists who are 60 years or older covered under the Working Journalists Act and have been accredited with the Delhi Government for a period of not less than 15 years.
- 02** The long pending demand of journalists about non-implementation of Wage Board recommendations will be fast-tracked for early resolution.
- 03** All working journalists who are accredited with the Delhi government will be entitled to an insurance of up to Rs. 10 lakhs each.
- 04** Accredited journalists, who are entitled to DGHS facility, will be granted medical facilities at par with Class 1 Gazetted officers. The facility will be continued for their dependent family members even after the death of the journalist.

Empowerment of Transgenders

- 01** A new policy shall be drafted for the social and economic empowerment of transgender persons.
- 02** We will ensure the issuance of proper identification documents for transgender persons and take steps to ensure that there is no discrimination against them.
- 03** We will create a forum for active participation of transgender persons in governance and will establish institutional mechanisms to effectively implement programs for transgender persons.

Dignified Arrangements for the Last Rites of the Deceased

- 01** We will ensure expansion, upgradation and provision of facilities like comfortable seating, greenery, fans and toilets etc. in Crematoria. Meditation centres and special places for recital of Bhajans will be constructed in the Crematoria.
- 02** We will build new environmentally neutral 'Green Crematoria'.
- 03** We will erect display boards in all crematoria providing information about the availability of vehicles for carrying the deceased and completing requisite formalities.
- 04** Unclaimed bodies will be cremated with dignity and respect.
- 05** Burial grounds and cemeteries will be upgraded.

Miscellaneous

- 01** The government will formulate a scheme to encourage and provide financial assistance for manual cycle rickshaw pullers to switch to e-Rickshaws.
- 02** Widows belonging to economically weaker sections shall be entitled to a gift of Rs 51,000 for the marriage of their daughter.
- 03** We will increase the pension amounts for Divyangs, widows, destitute women and senior citizens.
- 04** A special fund will be set up for police and security personnel injured while on duty.
- 05** The current Delhi government has been indiscreet in granting licences for opening liquor outlets, which has increased criminal behaviour. We will formulate a policy to discourage such unrestrained issuance of licenses.
- 06** We will ensure that manual scavenging is completely abolished in a time-bound manner.
- 07** We will provide ESI coverage to porters/coolies working in railway stations in Delhi.
